

# APPRECIOLGY

THE ART & SCIENCE OF APPRECIATION

How are you  
creating a culture of  
appreciation today?

## **NOTICE THE IMPACT OF APPRECIATION ON YOUR ORGANIZATION.**

Recognizing individual strengths and talents leads to better performance and morale.

## **WHO ARE YOUR STEADY ROCKSTARS THAT OFTEN BECOME UNSUNG HEROES?**

Often our focus shifts on what is going wrong. Catch people doing something right!

## **NOTE THE POSITIVE EFFECTS ON PERFORMANCE AND MORALE.**

Employees who feel valued and supported can extend beyond work to a more positive impact on their families and communities.

## **LEAD BY EXAMPLE AND EMPOWER STAFF.**

Having humility and willingness to walk in every aspect of the job demonstrates appreciation for those on your team.

## **CREATE POSITIVE WORK CULTURE THROUGH INTENTIONALITY AND EMPATHY.**

Set the right mindset, emulating positive behavior, and using language that benefits others.

*Need help finding the words? We can help.*
